Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

20th October, 1934.

Dear Sirs,

I have to acknowledge the receipt of your letter of the 17th instant enclosing detail plans for the steamer "BELFRI". With regard, however, to my letter of yesterday's date setting forth the additional strengthening required, it is considered desirable, before dealing with the detail plans now forwarded, to know the Owners' intentions in regard to proceeding with the proposed classification, and I shall therefore be glad if you will cable whether the Owners definitely intend to have the vessel classed.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

OSLO.
