Reference

Dear James,

"MOONLIGHT".

We have at last had a reply from the Owner of this vessel, which is not at all helpful, regarding the rigging of the stream anchor and a copy of this is enclosed.

He is an independent type of man and if we try to force his hand may simply cancel the class.

He really had her built to class to obtain a certificate and standard for any future purchaser and his other two vessels are unclassified.

A copy of the general arrangement is forwarded for reference.

Yours sincerely,

J. Turnbull, Esq.,

LONDON.
