Dear Sirs,

Motorship "LUCIANO CASTRO"

Thank you for your cablegram of the 11th instant. We have heard from the Santos Surveyor that the Owner stated on 10th instant that the vessel was due at Santos towards the end of July after which she would proceed to your port to complete all overdue surveys.

This proposal has today been approved, but no longer, by the Committee, and as the year of grace has expired you should inform me should the vessel not be submitted to the overdue Special Survey when she reaches your port.

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
RIO DE JANEIRO
