QUESTION

ANSWER

With reference to your memorandum of the 28th March, I shall be glad to learn the position regarding the Special Survey.

*NAB*

Date:- 29.5.63

Dear Sir,

I enclose herewith a translation of a letter received today.

The Owners Representative having written us and requested the deferment of the docking and special survey of this ship until May 1964, due to the difficulty of obtaining dry dock facilities in Brazil.

This request, in my opinion, merits the favourable consideration of the Committee in so far as the ship is normally well maintained.

Yours faithfully,

*C.A. Davies*
