Classn(S)

Dear Sirs,

Motorships "LAURA" and "LEONA"

I have your letter of the 2nd March which has now been submitted to the Committee.

It is noted that you desire the class of each ship to be withdrawn from the Register Book, but I would explain it is not the Committee's practice to assign three dots (...) when, as in the present instances, a major Survey is considerably overdue.

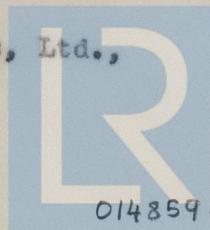

As it is understood, however, that these ships are no longer sea-going vessels, it is proposed to omit all particulars of them from the forthcoming reprint of the Society's Register Book, and it is concluded this will comply with your wishes.

Yours faithfully,

c.c. Cco.

Assistant Clerk to
the Classification Committee.
