16th May, 1959.

Dear Sir,

m.v. "OHMINESAN MARU"

We acknowledge the receipt of your letter of the 24th April regarding our Report 6282 on the above ship.

With regard to your query contained in the second paragraph, we confirm that the superheaters of the donkey boilers in the above named ship are fitted to the Secondary section as shown in the approved plans.

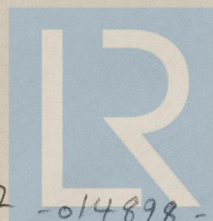

We apologise for the omittance of same in our report No.5b.

Yours faithfully,

Jacobs.

For the Surveyors.

The Secretary,
LONDON.
