

M.V. "Trevanick"

Grk. 225-60.

It is submitted the Grk. Surveyors be requested to forward the approved plan for the double boiler having an internal diameter of $10'-8\frac{1}{4}"$, as the particulars given in their report do not agree with the London copy of the approved plan, viz:- Drawing No. 13/37 approved in Feb. 13-5-42.
