4th May, 1931.

Dear Sirs,

S. I duly received your letter of the 28th ultimo, intimating that the Authorities in Buenos Aires have requested the Owners of the Motorship built by Messrs. Henry Robb, Ltd., of Leith, under the name of "AGUILA" should have the symbol II added to her name.

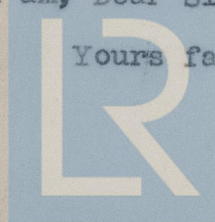

Instructions have therefore been given for the entry in the Register Book to be altered accordingly, and with regard to the vessel's classification certificates it is suggested that if the Compania Argentina de Lanchas desire the necessary addition to be made on the certificates, this can be done if they are taken to the Society's Buenos Aires office for the purpose.

On hearing from you that this will be satisfactory I shall have the pleasure of authorising the Society's Surveyors at Buenos Aires to act accordingly.

I am, Dear Sirs,

Yours faithfully,

Messrs. The Forestal Land, Timber &
Railway Co., Ltd.,
15 St. Helen's Place,
E.C.3.
