Enclos.

Dear Sir,

With reference to your letter of the 13th instant respecting the two envelopes which were posted by us on the 24th ultimo and which went astray in the post, we enclose herewith a letter now received from the Controller, General Post Office, Edinburgh, from which it will be seen that he cannot give any explanation as to the reason for the delay. All that we can say is that they were certainly posted by us on the 24th February, and not on the 12th March as shown on the post mark. It is rather unfortunate that we could not have had a more satisfactory reply.

We are, Dear sir,

Yours faithfully,

THE SURVEYORS.
