Leith, 11th March, 1931.

Ans.

Dear sir,

We are in receipt of your letter of the 10th instant enclosing classification certificates for the Steel Twin Screw Motor Ship "AGUILA", the originals of which were lost in the post. We may state that the machinery certificate was also forwarded at that time, therefore the fresh machinery certificate is now necessary.

With reference to the loss of these documents, we filled up the necessary form and handed it into the post office; we have had an acknowledgment of our complaint to the effect that the matter is being looked into, and that is how the matter stands at the moment.

We are, Dear Sir,

Yours faithfully,

THE SURVEYORS.
