5th March, 1931.

Dear Mr. Houston,

Thank you for your letter of the 4th instant with reference to the reports on the "MARGARITA" and "FOLDA". As these documents, as well as the classification certificates and letter respecting the "AGUILA", are still missing, I deemed it advisable to wire you officially this morning requesting copies.

With kindest regards,

Yours faithfully,

J. Houston, Esq.,

LEITH.
