71, Fenchurch Street, E.C. 3.

17th February, 1931.

WLJS

Dear Sir,

With reference to Glasgow Report No. 51068 on shafting made by Messrs. Aitchison Blair, Ltd., I have to acquaint you that reports have been received from the Society's Surveyors at Leith from which it appears that this shafting has been fitted in the Motorship "AGUILA", which vessel has today been classed ~~MA~~Al, With Freeboard, For Service on the River Plate - Limiting ports Monte Video and Pietras, with notations of Lloyd's A & C P, ~~SLMC~~LMC 1,31, O.G., Oil Engs., Elec. Light, D.B. - 120 lb.

I am, Dear Sir,

Yours faithfully,

pro Secretary.

The Secretary,

GLASGOW.
