ENCLOSURE.

29th November, 1935.

Dear Sirs,

H.

I enclose herewith a photographic copy of London report No. 102228 of an airless injection engine which has been made by Messrs. W.H. Allen Sons & Co., Ltd., and which has been despatched to Buenos Aires to be fitted on board the Motorship "AGUILA 11".

I am, Dear Sirs,

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,

BUENOS AIRES.
