We are to have a general lien as well as a particular lien on all goods in respect of all monies due to us, whether for Lighterage, charges, disbursements, demurrage or otherwise.

The rates charged by us are for conveyance only, and are exclusive of dock dues, demurrage, disbursements, or other charges. They are quoted upon the express condition that the person with whom any contract is made is either the owner or authorised agent of the owner of the goods intended to be carried, and accepts both for himself and for all other parties interested in such goods the terms and conditions herein contained. The goods are carried only at Owners' and/or Customers' risk, excepting loss arising from pilferage and theft of goods on board the barge whilst in course of transit, liability for such loss or damage being limited at our option to £20 per package or unit or to £50 per ton. Save as aforesaid we will not be liable for any loss of or damage to goods entrusted to us for lighterage or for any loss damage or expense occasioned to the Owners of the goods or to the Customers, howsoever, whensoever, or wheresoever such loss damage or expense be occasioned, and whether or not such loss damage or expense be occasioned by unseaworthiness of craft or by any negligence, wrongful act, or default of our servants or agents, or other persons for whose acts we might otherwise be liable, or be occasioned by any delay or failure in collecting, carrying or delivering the goods and although the barge for any reason may have deviated or departed from the intended transit with the goods and although the goods may have been loaded in the barge with other goods; provided always that the foregoing exemption excluding us from any liability arising from unseaworthiness of craft shall not apply unless we are able to establish that we have not knowingly or recklessly supplied an unseaworthy barge for the service at the time of the commencement of the voyage to the ship wharf or quay to load. We will not be liable to contribute in general average. We will not be responsible for any consequences arising from strikes, lock-outs, or other labour difficulties. We are to be at liberty to employ any lighter tug or vessel belonging to other owners or to sublet the whole or any portion of the contract, and in either event the above terms and conditions shall apply to such employment or subletting and shall be deemed to have been agreed to between the goods Owner or Customer and such other Owners or Sub-contractors.

**WAR RISKS.**—We will not be responsible for any claim arising directly or indirectly from war, hostilities, acts of aggression or defence, disturbances or commotions whether on the part of, or against or between Foreign Countries or otherwise.

Ref. Class (S)

Dear Sir,

Barge 'STONEWEAR'

We are in receipt of your letter of the 9th instant regarding the above tank barge, and we duly note your comments.

We regret that we have been unable up to the present, to arrange for this barge to be in position for survey. We do, however, hope this will be effected within the next few weeks. Meantime, you can take it that it is quite definite that we shall not require this barge to retain her class, and a decision in regard to whether she shall be passed for the carriage of Petroleum Spirit will be made when this barge is in for survey.

Yours faithfully,

FOR CORY TANK LIGHTERAGE LIMITED.
