The Secretary,  
LONDON.

Dear Sir,

m.v. "Balmoral".  
Generator Air Receivers.

With reference to the generator air receivers for the above vessel, we have been in communication with the Bristol Surveyors and have forwarded for thier information, the Makers numbers stamped on the receivers and they will obtain from the Makers certificates of test as these receivers were made under survey by the Chesterfield Tube Co.

We will forward on the certificates immediately they come to hand at this Office.

We are, Dear Sir,  
Yours faithfully,
