15th January, 1954.

Dear Sirs,

assn(S)

I duly received your letter of the 5th instant referring to your trawlers "LADY ENID" and "LILAMAR".

As you have no doubt heard from our Liverpool Office the Committee will be prepared to grant a maximum postponement of one year for the Special Survey provided the trawlers are submitted to comprehensive general examination compatible with their age during the present docking and found or placed in efficient condition for that period.

The Committee, however, are not prepared further to extend the class beyond January 1955 without the full requirements of the overdue Special Survey being held.

Yours faithfully,

c.c. Liv
