

S.S. "EBOR DOWNS".

This Vessel has been built at South Shields under the supervision of the Newcastle Surveyors for Classification with this Society.

The Engines and Boilers have been constructed at Newcastle and installed on board under the supervision of the British Corporation Surveyors and the Certificate issued by them is attached hereto.

As it is provided in the Committee's circular letter, dated 16th March, 1918, that in such cases this Society will issue the Machinery Certificate with the notation of LMC with date in red, it is submitted this Vessel is eligible for the record of LMC 8.19.
