

Lloyd's Register of Shipping.

Collingwood Buildings, Newcastle-on-Tyne.

22nd January 1918.

I beg to submit herewith for the favourable consideration of the Committee, the midship section and profile & deck plans (in duplicate) of six trawlers of the "Castle" class No 201-6 to be built by Messrs C. Pennoldson & Co for the Admiralty and for which, the Society's Classification is desired.

These vessels are duplicates of a number already built by these builders to B.C. Class and it is intended to use the same working plans.

The wood deck has been dispensed with and a steel deck is now to be fitted with beams on every frame.

I am Sir,

Your obedient servant,
J. Macdonald.

The Secretary,
London.
