Ocean Chambers, Lowgate,

Hull, 24th February, 1942.

Enclosures.

Dear Sir,

As requested in your letter of the 20th instant respecting the case of the "EMPIRE BOY", our First Entry Report No. 51479, we beg to enclose herewith approved plans of structural sections, profile and decks, shell expansion and sternframe and rudder.

It will be observed that the transverse and longitudinal bulkheads are shown on the approved plan of structural sections and we have no approved plan of fore and after end framing or a riveting scheme.

We are, Dear Sir,  
Yours faithfully,  
The Surveyors
