

Messrs. The Goole S.B. & R. Co's No.361,  
"EMPIRE BOY"

-----  
Rule Dimensions:- 188.9' x 31.25' x 14.0'

-----  
Duplicate of "CREOFIELD", Builders' No.284.

Plans approved for Class 100A1 "Carrying Tar or  
Creosote in Bulk", "Longitudinal Framing".

Later Ministry stated it was desired that the  
vessel should carry spirit, and they were informed that so  
far as the hull was concerned the class could be so amended,  
if desired.

The question of the electric light arrangements  
was referred to the Engineers Dept.

WJ.  
7th February, 1942.
