Gentlemen:

Re: M/V BARBARA ANN

We beg you to consider this letter as our formal notification that we are withdrawing the above steel twin screw tanker from the present classification in the Register of your Society, as of the present date.

This withdrawal of class is motivated by circumstances beyond our control, and we assure you of our continued high regard for your institution. If there are any certificates or documents issued by your Society which are now in our possession and which should be returned to you for cancellation, please advise us and we will forward these papers to you as soon as possible.

With sincere thanks for your help and cooperation in the past, we remain,

Yours very truly,

PAN AMERICAN STEAMSHIP CORPORATION
OF PANAMA, S.A.
