27th November, 1930.

Dear Sir,

M.

I duly received your letter of the 31st instant regarding the tonnages recorded in the Society's Register Book in respect of the Steamers "CALLIOPE", "HANSEAT", "VISTULA", and "CALIFORNIA STANDARD".

In reply thereto I am directed to inform you as follows:-

"CALLIOPE" - The tonnages now recorded in the Register Book were taken from the Germanischer Lloyd Register this year.

You should ascertain from the Owners what is the correct Net Register Tonnage.

"HANSEAT" - The figure 8409 is a clerical error, and should be 8499. This will be amended in the Register Book.

"VISTULA" - (Unclassed) - The records will be amended to 8952 and 5096 respectively.

"CALIFORNIA STANDARD" - The records in the Register Book are the American measurements. The figures given in Hamburg Report 18656 are the original German
