S. The Secretary,
London.

Dear Sir,

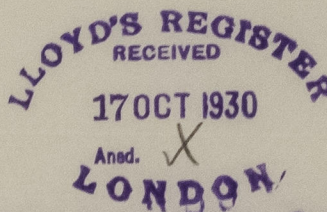

With reference to our First Entry Report No. 8090 on the motorship "G.C. BRÖVIG", forwarded you on the 8th instant, I beg to inform you that the Owners have now arranged with the Insurance Company to accept without condition the port propeller which was damaged on the trial trip. As the damage was slight, the repairs effected, in my opinion, can be accepted as permanent.

A new interim certificate has been issued to the Owners, a copy of which is enclosed herewith.

I am, Dear Sir,

Yours faithfully,

G. Snander
