1st December, 1948.

Dear Sir,

I have to acquaint you I am informed by the Officer Commanding, R.A.S.C. Fleet Administrative Unit, that the Steamer "INCHCOLM" has been handed back to the Admiralty.

The vessel, which is classed with this Society, became due for Boiler Survey at the end of September last, and in the circumstances I shall be obliged if you will kindly let me know whether it is intended to continue the vessel's classification and if so, what arrangements are proposed to be made for the inspection in question to take place.

Yours faithfully,

Clerk to the
Classification Committee.

The Secretary,
Admiralty,
Whitehall,
London, S.W.1.
