With reference to the entry in your Quarterly Return for September last relative to the "M.M.S.1024" (now "ADMIRAL GRENVILLE"), I have to acquaint you that this vessel has arrived at Hull and that the local Surveyors have requested to be furnished with the First Entry report, plans and outstanding reports on the case.

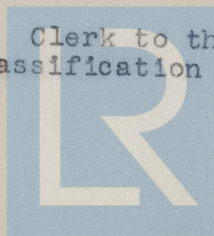

I shall therefore be glad if you will forward your reports as soon as possible and, in the meantime, advise me by return of the notations which you are recommending in this case.

Yours faithfully,
