

Extract from Classing Letter dated 22nd February, 1952.

"IKUSHIMA MARU" Receipt of your letter dated the 9th instant is acknowledged, the contents of which are noted.

I think it well to refer you to the original request contained in my Classing Letter of the 19th October last year, however, from which it will be noted that the test particulars are required and not the weights of the anchors.

I shall therefore be glad if you will kindly forward this information as soon as possible.
