

S.S. "WAR HAVEN".

Blyth Shipbuilding Co's Hull No.206. LR Supervision.
Mc Kie & Baxter's Engines No.897. BC Supervision.
Wallsend Slipway Boilers No.307. LR Supervision.

The Hull & Boilers of this Vessel have been built under the Society's Surveyors at Blyth for Classification with this Society.

The Engines have been constructed under the supervision of the British Corporation's Surveyors at Glasgow.

The installation of the Machinery on board has also been under their supervision and the Certificate issued by them is attached herewith.

As it is provided in the Committee's Circular letter, dated the 6th March 1918, that in such cases this Society will issue the Machinery Certificate with the notation LMC with date in red, it is submitted that this Vessel is now eligible for the record of LMC 11.18.
