*Enc'd. ....*

Dear Sir,

In reply to your letter Classn (H) of the 4th ultimo in respect of a Boiler Survey carried out at Lobito on the Steamer "JANE LANNG", I would advise that we communicated with Messrs. Hull, Blyth & Co., Lloyd's Agents at Lobito requesting them to forward you a copy of their Surveyors report.

A reply has just been received from Messrs. Hull Blyth & Co., Lobito and we think it well to quote from their letter.

"We thank you for your letter of the 18th May, but would advise that the original survey report on the boiler survey carried out on the above vessel, was handed to the Master at his request.

However, as it appears that he cannot have produced the report, we are sending a copy to Owners".

From the above it would appear that Messrs. Hull Blyth & Co., have not forwarded you a copy of this report as expressly requested by us and further correspondence with Messrs. Hull Blyth & Co., will cause serious delay as postal connections between Lobito and Durban are irregular.

In the circumstances we wondered if it would be possible for the Copenhagen Surveyors to obtain from the Owners the copy which was forwarded to them.

Yours faithfully,

*T. H. Naef*
