LLOYD'S REGISTER OF SHIPPING

UNITED WITH THE BRITISH CORPORATION REGISTER

71, Fenchurch Street, E.C.3

4th May, 1954.

Classn.(H)

Dear Sir,

With reference to the Boiler Survey which became due on the Steamer "JANE LANNG" at the end of August last year, I have to inform you that at the beginning of March the Owners informed the Copenhagen Surveyors that the vessel was bound for Lobito and that they had instructed their Agents, Messrs. Hull, Blyth & Co., to arrange for the inspection in question to be carried out at that port. The Owners now state they have received a cablegram from the above firm (who are Lloyd's Agents at Lobito) to the effect that the survey has been completed.

In the circumstances I shall be glad if you will arrange with Lloyd's Agents to forward to this Office a copy of their Surveyors' report in order that the same may receive the consideration of the Committee.

Yours faithfully,

Clerk to the
Classification Committee.

P. F. Balfour, Esq.,
DURBAN.
