Dear Sir,

S.S. "MARAVI" - B.C. Class.

I have to inform you that in reply to a Notice addressed by the British Corporation to the Owners, they state that this vessel was due to arrive at New York about the 12th instant for a twenty-five day lay-up, during which time it is intended to have the Special Survey, Type 4, due 4.49, the Boiler Survey due 2.49, and the Load Line Survey carried out. The reports on the case are accordingly awaited in due course.

I think it well to add that the Screw Shaft Survey becomes due at the end of the present month.

Yours faithfully,

Clerk to the
Classification Committee.

Wm. Bennett, Esq.,
NEW YORK.
