QUESTION

ANSWER

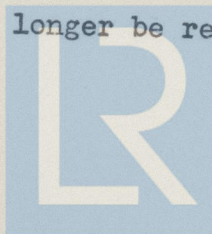

With reference to my memorandum of the 25th January, I shall be glad to learn whether you are yet in a position to let me know how this case now stands regarding the Reclassification Survey.

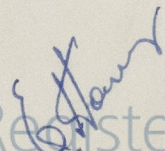

Date:— 29th. March, 1962.

This Company's present administration has taken no recent action with regard to repairs and replacing this ship in service. We imagine that when the four new passenger ships are received from Spain and Yugoslavia for this company that the subject ship will no longer be required by them.
