71, Fenchurch Street, E.C. 3.

6th July, 1927.

Dear Sir,

S. I duly received your letter of the 4th instant, respecting the nominal horsepower of the steamer "ITAIMBE", and with regard thereto I have to say that the fee should be based on the nominal horsepower recorded in the Register Book, no difference being made between oil and coal fired boilers in the application of the Rule formula used for calculating N.H.P.

In the circumstances you should refund to the Engine Makers the amount overcharged, viz.:— £2:14:0.

I am, Dear Sir,

Yours faithfully,

Clerk to the  
Classification Committee.

L.G. Demarest, Esq.,
