Dear Sir,

" C.F.H. "

I have had considerable trouble in contacting the Owners, but eventually I have received a letter (copy attached), from which you will see that owing to nationalisation it was not possible to find sufficient employment for the vessel and in consequence the vessel is now laid-up at Braunton.

The Owner agrees however, that should he obtain employment for the vessel he would then put her through the necessary survey and in this case the Special Survey <sup>which</sup> becomes due next year.

Yours faithfully,
