

31st August, 1950.

Dear Sirs,

m.v. "C.F.H"

We are in receipt of your letter of the 23rd instant respecting the above vessel and understand that she sailed from Avonmouth on the morning of the 30th August. No communication was received from the Master regarding the Annual Survey and it is presumed that you will be making arrangements for the vessel to be placed in dry dock or on gridiron or slipway so that the survey can be carried out.

In the circumstances we shall be glad to have as much notice as possible should you decide to carry out the survey at Avonmouth.

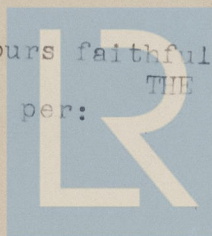

In the event of the survey being carried out at any other Bristol Channel port, our Cardiff or Swansea office should be contacted.

Yours faithfully,

per:

THE SURVEYORS,

Messrs. H. & H. Clarke,
BRAUNTON.
