Dear Sirs,

I am in receipt of your letter of the 17th instant respecting the Motorship "C.F.H." the contents of which have been noted.

In the circumstances I think it well to enclose herewith for your information a copy of a letter which has today been addressed to the Plymouth Surveyor from which you will see that he is being instructed to carry out the necessary survey with the assistance of a local wood expert as suggested by Mr. Robertson.

Yours faithfully,

Clerk to the
