Lloyd's Register of S

71, Fenchur

19th August, 1950

Dear Sir,

With reference to my letter of the 10th instant and previous correspondence respecting the Motorship "C.F.H.", I have to inform you that it had been Mr. Robertson's intention to travel to Ilfracombe next week, but it now transpires that his services will then be required in the South of France.

In the circumstances it has been decided that you should carry out the requisite Annual Survey with the assistance of a competent local wood expert and I shall therefore be glad if you will arrange accordingly.

It is understood that the vessel is well known to Messrs. P.K.Harris of Appledore and it is thought that arrangements could conveniently be made for a representative of that firm to be employed as a wood expert.

Yours faithfully,

c. c. Sou.

Clerk to the
Classification Committee.

D.L.H. Collinson, Esq.,
PLYMOUTH.
