Reference

Dear Sir,

With reference to your letter of the 10th August, respecting the Annual Survey of the Wood Motorship "C.F.H". I herewith confirm my telephone conversation with Mr. Jordan this morning. "It was my intention to travel to Ilfracombe next week but as my services are then required in the South of France it was considered that in the circumstances Mr. Collinson might be requested to arrange to carry out this survey with the assistance of a competent local wood expert."

This ship is well known to Messrs. P.K. Harris of Appledore and it is thought that by arrangement a representative of that firm could conveniently be employed by Mr. Collinson.

We are, Dear Sir,
Yours faithfully,

The Secretary, LONDON.
