H.

Dear Sir,

With reference to my letter of yesterday and to our telephone conversation this morning relative to the Wood Motorship "C.F.H.", I am obliged to you for calling my attention to the fact that previous surveys on this vessel's hull have been carried out by Mr. Robertson.

The Owner's letter of the 23rd instant was shown to Mr. Robertson in this Office this morning and he has suggested that as his commitments render it impossible for him to deal with the case within the next few days, the Owner should be asked to submit the vessel to survey at some later date within the next few weeks.

In view of the fact that the Annual Survey required does not become due until the end of the present month, I shall be glad if you will get in touch with the Owner and let me know whether he is able to arrange accordingly.

Yours faithfully,

Clerk to the
Classification Committee.

D.L.H. Collinson, Esq.,
PLYMOUTH.
