

RE

Steamer "SKIPSEA".

Mr. Nell states that this vessel will not be coming out of dry dock until Saturday, the 4th instant, and it is understood that the handing over will take place on Monday, the 6th instant.

The following items are still outstanding to complete the Special Survey:-

All Deep Tanks to test.
No. 1 Double Bottom tank to test.
Forward Deep Tanks to scale and recoat.

When these items have been dealt with a notation of Special Survey will be recommended, subject to permanent repairs to shell plating abreast No. 2 hold (starboard side) at first convenient opportunity.

The screwshaft has been drawn and examined at this time, but the spare gear has not been supplied.

The Surveyors will forward a memorandum immediately on completion of the Survey.
