Dear Sirs,

m.s."MARGARET LOCKET"

I shall be obliged if you will kindly let me know what arrangements you propose making to carry out the Modified Survey of the Oil Engines which became due at the end of January last.

I shall also be glad to learn within what time it is anticipated this vessel will be placed in drydock, as required by the Society's Rules, as according to the records in this Office, she has not been so examined since built.

Yours faithfully,

Clerk to the
Classification Committee.
