We have for many years had our vessels classified in Lloyd's Register of Shipping, and we would like to express our appreciation for the services rendered by Lloyd's Surveyors in Cape Town over the many years.

Our set-up has changed somewhat since the early days and we now have our own marine department with a local surveyor, so that it is therefore not considered necessary by our Board of Directors to continue holding our vessels in your classification.

In the circumstances, it is our desire to withdraw from classification as from the 1st November, 1953, if you are agreeable.
