Dear Sirs,

lassn(S)

RJS

I duly received your letter of the 24th ultimo in the case of the motorship "SOUTHGATE" from which it is noted that she has again been resold and that her name is to be changed to "CISTERNA".

In order to regularise the position so far as classification is concerned, the Committee have today suspended the class with a notation of "Class suspended - drydocking overdue" but if you hear of any developments please let me know.

Yours faithfully,

The Surveyors,  
ROTTERDAM.
