9th January, 1956.

Dear Sirs,

n. (H) With reference to the classification in the Society's Register Book of the motorship "SOUTHGATE", this vessel has not been seen in drydock by the Society's Surveyors since July, 1954.

It is understood from the Southampton Surveyors that the vessel has now come under new ownership. The only information available regarding the new Owners is as follows:-

Stolks,
Shipping Merchants,
Anbacht,
Rotterdam.

In the circumstances it will be appreciated if you will endeavour to ascertain and let me know within what time the new Owners expect the opportunity will occur for a further examination in drydock to take place. More definite particulars regarding the new Owners' name and address would also be appreciated.

According to present records the vessel's class is subject to indented shellplates E.3, 7 and 8 (port side) and E.8 (starboard side) and bulwark plating (port and starboard) being dealt with by the next Special Survey due 5.56.

Yours faithfully,

Copy to P. H. S.

Clerk to the
Classification Committee.

The Surveyors,
ROTTERDAM.
