Dear Sirs,

Steamer "WISLA"

I am in receipt of your letter of the 19th instant, the contents of which have been noted.

Before, however, the Committee are prepared to consider the postponement of permanent repairs to the tank top in holds, it will be necessary for the Society's Surveyors to be afforded an early opportunity of making a further examination of the tank top plating, and I shall therefore be glad if you will kindly let me know when and at what port arrangements can be made for the necessary inspection to be held.

Yours faithfully,

Assistant Clerk to the
Classification Committee.
