REPORT

No.

**For the CHIEF SHIP SURVEYOR and ~~CHIEF ENGINEER SURVEYOR.~~**

In cases which have to be submitted to the Classing Committee "the endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case so that the Classing Committee may have all the salient points presented in the endorsement."—(Extract from Sub-Committee's Report, 24 /5/92.)

ature of Survey..... Repairs to tank top

When due..... 5.53.

The classis subject to cargo battens being placed in order at the earliest opportunity, and to permanent repairs to tank top in all holds by May 1953.

In reply to enquiry the Owners' Representative requested postponement of the tank top repairs until 9,53.

A copy of the Owners' proposal was forwarded to the Genoa Surveyors, and in reply they stated that a further examination of the tank top plating should be afforded before this concession is granted.

IT IS SUBMITTED the Owners be advised that a further examination of the tank top plating should be made at the earliest opportunity for postponement of repairs until 9,53.
