Dear Sir,

Ans'd

Steamer "WISLA".

We are in receipt of your letter Ref. Classn(S) of 21st May 1953 enclosing a letter, dated 19th instant, addressed to you from the Gdynia America Shipping Lines (London) Limited and concerning the above named vessel.

As stated in our Report N° 19154 the temporary repairs to tank top plating were surveyed whilst vessel afloat at Savona on 10.2.53 and found efficient for the period then requested by the Owners.

With reference to their request for a further extension of time until September next, it is considered that another opportunity for ensuring that the above tank top plating remains reasonably tight should be afforded before this concession be granted.

Yours faithfully,

The Secretary,
LONDON
