# LLOYD'S REGISTER OF SHIPPING

Port Galveston, Texas

Date June 30, 1967

## This is to Certify that I have

surveyed the **M/S "INTERPRETER" 6815 gross tons of Liverpool**  
on June 30, 1967 whilst the vessel lay afloat at Long Beach Terminal,  
Houston, Texas for temporary repairs to the starboard side shell plating,  
No. 1 plate from forward in 4th strake below sheer,

and that I am transmitting to the Committee of Lloyd's Register of  
Shipping, London, a report, stating that all <sup>temporary</sup> repairs recommended by  
me have been completed to my satisfaction, also that I am  
recommending that she be continued as now classed without fresh record  
of survey, subject to wasted area of starboard side shell plate No. 1 from  
forward in 4th strake below sheer, in way of the 16'-0" draught mark, being  
specially examined and dealt with as found necessary at next dry docking,  
and to any conditions attached to the vessel's class being dealt with as  
previously recommended.

*W.D. Wardle*

Surveyor to Lloyd's Register of Shipping

W. D. Wardle
