REC'D 23 DEC 1920

ANS'D  
Sir,

We duly received your letter of the 8th instant respecting the steamer "POLJANA" and beg to inform you that a letter from the owners is to hand stating that they had given instructions to the master to arrange for the I.P. cylinder barrel of this vessel to be examined during the vessel's stay at Galveston.

The owners further inform us that the vessel left Galveston last week and they are of the opinion that the survey in question has been held. We have asked the owners to inform us, when they have definite information from the master.

I am, Sir

Yours faithfully
