Dear Sirs,

I have to acquaint you that in July last the Society's Surveyors at Glasgow recommended that the I.P. cylinder barrel of the steamer "POLJANA" should be examined before the end of the present month. In the circumstances I shall be glad if you will ascertain from the Owners and let me know what definite arrangements they propose making for this to be done.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

CHRISTIANIA.
