Ship's name

"AQUILITY"

Port

LON

No. 149150.

Last survey date 18/3/63.

Class is subject to:-

Main Engine being found to operate satisfactorily throughout the running range before the end of July, 1962 (see also letter of 14/8/62).

A notice board now noted to have been fitted at the engine trials stating "speed not to exceed 280 R.P.M." and the governor is stated to be set so that a speed of 310 R.P.M. cannot be exceeded. During short trial, Main Engine examined throughout the running range and no undue vibration noted. Surveyor recommends that the subject of class be deleted.

IT IS SUBMITTED that this vessel is eligible to remain as classed, without special condition.
